

EFA VBE BASIC

EFA electrical Basic Stunner
compl. Set with stunning Tongs Gripper

TYPE

Order no.

VBE Basic 230V

001983991

VBE Basic 115 V

001983992

Dimensions 370 x 290 x 200

Paracord lenght: 5 m
weight 12,1 KG

rated Voltage U = 115V
frequency f = 50 Hz
maximum power P < 650 W
maximum current I < 10 A

output:
maximum output voltage U < 270 V
stunning current I < 3 A
frequency range f = 50 Hz

duty cycle S2 240
IP rating IP 55

number of stunning programs 6
change of stunning parameters directly manual

**The stunning system included :
Device :**

Stunning unit VBE-BASIC and
Gripper (called the tongs)

The Device can only be used for :

Fattening pigs up to 130 KG
& average resistance about 165 Ω

Sows over 130 KG
& average resistance about 100 Ω

Attention please check the official
rules in your country for stunning
processes first, before you order this
System. The System is without
recording.
